Chairman's Report:

Welcome to the 78th AGM of the Lothian & Borders Branch of the RSPBA.

2017 has been another successful year for the Branch, and we managed to maintain all of our regular contests this year in spite of the continued challenging financial climate, but also re-established the Edinburgh contest and brought Bridge of Allan under the Branch control. My thanks to all of our promoters and their committees for their continued support and commitment enabling us to sustain a very healthy contest schedule.

At this point I'm pleased to say that we have commitment to hold most of the regular contests again next year, with funding still needing to be secured for Edinburgh and Burntisland.

I was delighted to see the bands that had joined us from Fife & Stirlingshire taking an active part in the Branch, including attending the Branch meetings.

I would also like to welcome the two bands from Scottish Fire & Rescue who have joined the Branch this year.

Can I personally thank all of the Bands for their continued support of the Branch and offer my congratulations to those who picked up the Branch Champion of Champion awards, secured promotion, or were successful in the Major Championships this year.

We are indeed fortunate within the Branch to have people committed to working together to develop and support the aims and objectives of the Association, so my thanks, as always, goes to the members of the Branch committee, and their families, for their continued support throughout the year.

We unfortunately lost both our Branch President Bill McMorran, and immediate past Branch Chairman George Purves this year. As a Branch, we owe a debt of gratitude to these two gentlemen, as without them, this Branch would not be where it is. So our heartfelt thanks, thoughts, and prayers are with their families.

Loyalty Scheme:

At last year's AGM we agreed to continue with our 'Loyalty Scheme' for Branch bands, and the Treasurer advised that a fund of £2,000 would be set aside for this. So I'm delighted to present this year's awards to the following bands.

For full attendance at all 8 Branch Contests:
£800 – Camelon & District

For attendance at 7 out of 8 Branch Contests:
£500 - Stockbridge Grade 4

For attendance at 6 out of 8 Branch Contests:
£300 - Davidson's Mains & District Grade 4
£300 - Stockbridge Grade 3

Vote of Thanks:

As intimated previously, this year has brought to an end my period as Branch Chairperson. Having taken over from George Purves in 2003, I hope that I have continued to build the visibility of the Branch and added some value to proceedings along the way. I would like to thank all involved with the Branch over the years for their help and support, and I certainly intend to be around to offer any support and encouragement your new Chairperson may need, especially in their first year of office.

It's been hard work at some times over the years, but I have enjoyed it, and now it's time for Someone else to put their stamp on it, and lead the Branch.

Secretary's Report:

This year has been another successful year for the Branch and I would like to congratulate all bands who were successful at both Local and Major competitions. I would also like to thank everyone for their continued support.

Treasurer's Report:

Our Treasurer gave her report and any questions asked were answered satisfactorily. Details are available from the secretary by request.

Directors Report:

The Worlds format will remain the same.

The World Solo Drumming contest was very successful and changes to the Adult Final were successful and no critique sheets were provided for the Adult Finalists.

Registration checks at contests have been very successful and we have seen a drop in failures from 47% to just 2% during this season.

The fire at Headquarters has devastated the top floor and the building has now been made weatherproof. All staff will be decanted to other premises to allow building and refurbishment to go ahead.

2018 is the final year for Paisley – British Championships, Forres – European Championship and Belfast – UK Championships. Contests have all been very successful and new venues and dates from 2019 will be advised when they are confirmed'

Music Board Report:

World Solo Drumming - Regional Qualifiers 2 places each from each qualifier. It would be good to see more big names enter this event which would, this would help to raise the profile of this event.

PDQB Certificate of Pipe Band Musicianship part 2 is now complete and students have all been notified, all students passed.

PDQB parts 4, 5 and 6 Piping and Drumming, there are over 300 students sitting various levels including:-

This contest is now becoming so big that available space for parking is getting smaller every year and also the Final tuning available space is at a point that this is no longer adequate for the number of bands entering this contest across all grades. This will be discussed with the North Berwick Games committee.

Issuing the Drum Majors with wristbands was very successful and will be continued.

There are ongoing issues with band instructors and coach drivers being asked to pay to gain entry into the park.
